PUPPIES

These 7 gorgeous puppies were born Jan. 30th and will be ready for delivery March 21st. They will have guaranteed hips, elbows, eyes, eic and cardio. They will have 1st shots and will have been thoroughly examined by the finest veterinarian in the area. We will care for the pups in a loving family environment with lots of space and early socialization with children. These are the best Lab puppies you will find in the Mid-West. They are located in Mequon, WI and their wonderful mom is available for interview. Please call 262-241-4781 or email cburghardt@hotmail.com. Ask for Chip or Connie Burghardt. Thank you.
